Joseph Case 2019 High School

A Letter From the Yearbook Staff

The yearbook staff has put countless hours towards creating a picture book to capture all the memories you will never want to forget.

High school is a journey that shapes who you will become, and we wanted to make sure that when you look back, you can remember your times at Joseph Case High School and the way these past four years have impacted your life. At the beginning of the process, everyone on our staff was excited to play a role in the designing of this year's yearbook. Week by week, Thursday after Thursday, the pages piled up until we had a finished project, which you are holding now. Every second spent towards the compilation of this book has been extremely rewarding for us, and we hope that you enjoy flipping through the pages now and in years to come.

We chose a compass to accompany our cover this year. Let it be a symbol of not only your journey through high school but of the journey you are about to embark on in the near future.

We would like to thank everyone that played a part in the production of this yearbook, including Mr. McCann, Mr. Costa, Jostens Yearbook, Chestnut Hill Studios, Mr. Coulombe, Mr. Whalen, and the entire yearbook staff. We are grateful, not only for the effort put forth by everyone, but also for those who have spent these years with us- allowing for these memories to exist in the first place. We live in a community that gives us so many opportunities- from clubs, to sports, to events- and limiting this yearbook to 140 pages was a difficult task.

And lastly, a huge thank you to the class of 2019. It has been so special getting to grow up alongside some of the kindest and remarkable people. The cover of our yearbook depicts a compass, which represents the different paths we are going to take.

Our lives start now.

No matter where you end up, use this book as a memento of your high school career. We are all destined for something, and we wish each and every one of you nothing but luck and fortune.

And always remember... go b19 or go home!

Sincerely,
The Yearbook Staff

Yearbook Dedication: Mr. Charles Shaker

On behalf of the class of 2019, we are honored to dedicate this yearbook to "White Lightning" himself - Mr. Charles Shaker.

After his unannounced retirement last year, we wanted to recognize and show appreciation for the man, the myth, the legend, and (for the later half of his career here) - movie star.

Mr. Shaker started teaching at Case in 1982 and served on the high school staff for an amazing 36 years - one of our longest serving teachers ever.

We were truly fortunate to be one of the last classes to enjoy Mr. Shaker's presence, and we all know that the technology wing will never be the same without him.

Thank you for teaching us java programming and other valuable life lessons courtesy of "the Great Father Wolf" and the "late John Kennedy."

Even though your twin brother Selrahc was in the running for this dedication, we chose you. Keep living it up with John O'Hurley and Rest In Peace Marybeth Duncavage.

The Joseph Case High School community hopes you are having a wonderful retirement!

Letters From Administration

Graduation from high school is a huge achievement and I hope that each of you truly takes the time to reflect upon your journey within the Swansea Public Schools.

I am certain that there have been many ups and downs over the past twelve years, but I am hopeful that, upon reflection you will see that you have become an integral part of a special community. Community is the cornerstone of success and being a member a group that has similar goals creates a sense of belonging, and working toward the same goals, gives a sense of accomplishment.

Graduation is the culminating goal for our community of students and I hope that you will take all that you have learned and carry that Cardinal pride along with you to make positive impacts as you graduate from Joseph Case High School.

Congratulations and Be Well!

John J. Robidoux
Superintendent of Schools

To the Class of 2019,

Congratulations on such an important and wonderful milestone in your life! You have some fond memories and friendships to carry with you. These past four years of experiences have in some way played a role in who you have become today. You will receive advice often, some of which may impact the direction you travel. Don't let the noise of other's opinions drown out your own inner voice.

And most important, have the courage to follow your heart. Allow your desire to explore overpower your fear of failure. Never hesitate to take action; accomplishments are the result of embracing your mistakes and taking action along the way. Remember to stay true to yourself. Now go and make interesting, amazing mistakes!

Elizabeth White
Assistant Superintendent of Schools

This past December, I decided to tackle the classic novel *LITTLE WOMEN* after the title kept appearing over the summer on different lists of must-read novels. I didn't know a lot about its narrative: just because of the title, I thought the novel wasn't "for me."

I was wrong. I enjoyed every page, every character, every old-fashioned storyline of Louisa May Alcott's 1886 work set in New England.

I was only into the first 15 pages when I came upon this quote. After reading it, I realized the real reason fate had encouraged me to read the book at this time: to pass along this adage to the Joseph Case High Class of 2019.

Our burdens are here, our road us before us, and the longing for goodness and happiness is the guide that leads us through many troubles and mistakes to the peace that is the true Celestial City.

High school graduation marks a beginning. You will have trials and tribulations along with success after your adventure from Joseph Case High School is complete. Keep fighting the good fight in search of joy in your every day life while embracing your triumphs and failing forward.

My most sincere wishes that your road to happiness as an adult begins now.

Cheers!
Brian McCann
Principal - Joseph Case High School

To The Class of 2019,

As your final year at Joseph Case High School comes to a close, you are now faced with answering a very important question, "What's next?" Fortunately, your high school career was filled with decision making. Course selections, extra-curricular participation, and social involvement have shaped your high school experience and influences one of the most important choices in your lives. Whether you plan on entering higher education, the military, or the workforce, I am confident that Joseph Case High School has provided you with the skills and self-reliance needed to tackle this complex decision.

I applaud your parents and teachers who have prepared you to respond to this milestone with confidence. This is a time of both excitement and uncertainty, but one in which you have anticipated for some time. I am certain the last four years have prepared you for life after high school. Take advantage of this time in your lives to make a difference in your future endeavors.

I wish you all the best of luck as you prepare for life's challenges and celebrations. Take with you all the experiences and memories of your high school years. They will be some of the fondest you ever have.

Best wishes,
Christopher J. Costa
